You startled
me.

What?

And you
reached
one tempo
late.

What were
you thinking
so deep?

About
you.

Now your
tempo is so
fast.

And
that hurt.

So, you get a
problem on both
fast/slow tempo?

Of course.

Idiot ♡

Moderation?
Don't you get
it?
Moderation.

Which is the
hardest.

Let's go.

ye ♡

Look, he has
such a cute girl-
friend hanging
around him.

Pretty much all
the time.. He won't
even look at us
even if we tried.

Ohai-

Certainly ...

Pretty ♡

As soon as they start to do their thing, they basically created their own sphere of influence.

Lee Rara (21)

Western language course

... What?

Isn't it obvious? We pity you.

You wanted us to set up a meeting and your target was him?

I thought you finally saw the light but that guy is impossible to get.

"Impossible"?
That's harsh.
I didn't even
begin.

He said he didn't
like a woman who
was (so much)
taller than him.

He said he wouldn't
even consider me
unless I lose 15 cm
of height somehow.

Pana..., are you talking
about Byeong-Choi
who went overseas
last year?

Whose
nickname
was
"Shortie"?

Please don't tell
me that you took
a break to chase
after him for Pana!

What are you,
an ESP?
I didn't even
tell you yet!

How did you
figure out?!

We told you so, geez,
you deserve all the pain !

Not only did you
break your promise,
you even added one
more lie.

Forget it !
Let's go !

Go... where?
Aren't we going
to the class ?

No time for class.
We are going to
go drinking while
cheating your miserable
love life.

The professor
doesn't even do
attendance check
lately.

Tag along.
It will be on
us.

My taste isn't weird. It's... just special.

Just because
they can't
understand, they
shouldn't label
it "weird".

I didn't hide it because I was embarrassed.

I knew I wouldn't be understood, so I didn't bother.

I heard what
teachers were
saying.

Don't do
that.

What?
I don't
understand.

You are
worse, you
know.

You are worse
than those who
bully me and
calling me names!

My teacher
was ...

"Weakness".
At least, that's
why others
would call it.

Whenever
I met guys
with serious
weaknesses,
I immediately
liked them.
I found them
lovely and cute.

"His face is
so white."

"Perhaps that's
why his blackish
birthmark looks
so nice."

"But I don't understand.
People don't make
fun of black marks
on dogs or cats. Why...."

Well...

I know
you
meant
no harm.

And I like how
creative your
thoughts are.
The drawing is
nice also.

But you should know
that too much
sympathy like this
is going to hurt your
friend even more.

OF COURSE,
I DO KNOW
THAT.

Why do you think I wrote that in my diary? It was supposed to be secret.

Give my diary back.

At that moment, I gave up my hope that adults would understand when I grow up.

[And that writing in diary wasn't as secure as I thought...]

I didn't like him simply because of his weakness.

And I certainly did not write it to be "a good girl" or anything like that.

What am I supposed to do -

when what I saw in men I liked was called "weakness" or "vulnerability"?

Sura's face

As I grew up,
I became more
passive about
my approach.

I didn't want to hurt
anyone anymore.
I waited until I could
find someone who
would understand
me.

But...

Don't break
the cup.

Wowh, I think
drinks are really
soaking me
today. I gotta
drink more.

Menu
here please!

Enough
food!

I thought
we were ready
to take the next
step.

We've been together
for 4 years!
We knew each other
even before entering
the uni!

I didn't think
he would reject
me like that.

Were we not
a good couple
even to you ?

Him and
me ...

... Well, you
two were
okay...

... For comical
reasons mostly
I mean we and
others used to
make fun of you
two.

For comical
reasons...

W, well,

You have to
understand. It
was hard to take
you seriously.

Runs, you tend
to get along well
with everyone.

You treated
him no different
than others on
surface at least.

From what
you just
told us
today...

I think you
still had no
chance.

No one loves
their weaknesses.

And, Rara, I think
what you like is not
his actual weakness
but sure of vulnerability
caused by his weakness.

You are
spot on,
caden.

It's like what
you said.

But it's
slightly
different.

Others may just
see it as
vulnerability.

But I see it more
as purity...

That's why I cannot
accept you, Rana.

As a friend...
yes, it's fine...

A friend who'd
understand and
accept my
weakness would
be a good friend.

But if the sole
reason you love
me is -

the weakness
I truly hate, I cannot
accept you.
I won't accept you.

And he wasn't
wrong, either.

- And I have
stomach ache

Here, you look
like crap right
now.

Until which hour
did you ask your-
self in beer ?

Sam.
Thanks.

Didn't you
had a required
class this
morning?

Which
is why I
am here.

Idiot.

... You aren't
use politeness
anywhere to me ?

We are on the
same year
now and
in the same
course.

And
same
age...

Hey, dude, if
I hadn't taken
a break, I would
be your superior

To, I liked
you, the
coffee.

Cheap !

Oh, how
sweet !

corned
flavor,
rice !

Good
morning.

Fine, I
accept it.

Cheap
woman

Hey !

That
woke me
up.

Sam
at ?

None

I am not
going to skip
this class
anymore

속닥

속닥

Yeah,
quit.

Huh ?
What ?

Ahah, they were talking about them.

Kang Han-Se,
Ban Ha-Da....

Weren't
they?

I know I
asked to
be hooked
up with him.

But I wasn't
expecting anything.
He is not my type.
I simply felt that
perhaps I should
change my taste.

I chose him because
... he looked like
one of those
perfect type guys.

And look how
cute his girl-
friend is.
She's also
perfect.

They got nothing
to be ashamed
of, which is
why they don't
care for others'
attentions.

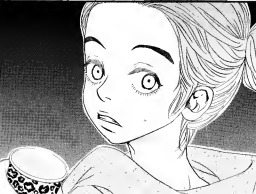

Like now.

They simply
don't care
what others
think of them.

Do they think
only they are in
love?

Hmph, look
at them, having
fun and all
that.

You know her?

No? I don't.

She was looking at me, so I thought she might know me, so I asked!

What do you think you are, a celebrity?

Well, I guess you are right.

That's my laptop... And you did stare her hello!

Shut up.

Hi sis!

Hi sis!

Um, what's that?

That was ...
sudden.

What's up
with that girl?

That was yuck,
wasn't it.

You fell for it,
too, Rana.

"Fell for
it"?

Well, I was
surprised a
little...

It's okay.
That's why Sen He-De
is called a bitch
and is backmouthed.

Even without
that, she's
still a bitch.

시경

시경

시경

Yeah, no kidding.
See how she is
literally attached
to He-De.

Well, as
expected,
she is not
a type who is
liked by same
gender.

Her major is physical education. She is going to be a PE teacher, and look how she's dressed.

She acts like she's a princess. Her height isn't even 150, I think.

Well, she couldn't act like one if she wasn't pretty. She has got the requirements met.

And so what if she's short. Her head was small, so it all fits.

And you girls are acting like those side characters in manga where they badmouth heroine.

Here we are, during our lunch time, badmouthing a pretty girl. It all fits.

It's unlike you to bad-mouth someone.

We have a reason!

During orientation --- I am pased by just thinking about it!

hello, let's get along, shall we?

oh?

I shook her hand and greeted her. Do you know what the bitch told me?

Sure, I'd love that.

개새댁

Big sis ♡

If she said
that,

I bet you girls
would have
fallen for her.

하 하 하 하 하

What was
that ?! Were
you mimicking
her ?!
That was so
comical !

Hahaha,
look how you
rolled end of
your sleeves !

Why not ?
This is the
symbol of
cuteness !

I found her
pretty cute.
I am not
kidding.

Hahaha!
hahaha!

Sura's place

Why did you eat
alone ?
Where is Han-Se ?

So, you
are after
him, too ?

I thought you
were different.
I am
disappointed.

You thought
I was
different ?

Do you
even know
me ?

Of course,
not. I simply
felt you were
different.

Oh ?

Girls generally
looked at me
with either
jealousy or
admiration. But
you looked
different.

How so ?

Your stare
was warm...
as if ...

As if a mother,
was looking over
her daughter

Then, it
was a mother's
tragic ends.

Although
of course, I had
no idea what
you were thinking.

"Do they think
only they are
in love?"

That's what
I thought at
that time.

I knew
it.

What do you
mean by that?
Well, you were
right though.

I did look at
you with rather
cheering mood.

Who told you
sit next to me?!!
Go away!

Just to make
sure ...

I am not interested
in Kang Han-Se.

His is
my type.

I am interested
in you rather ...

.....?

You see -

I can see.

I can see your
weakness.

안녕,
반하
다!

Are you really
curious ?

Are you kidding?!
Of course !

I can't tell you
for free
though.

What?!

So, you really
want something
from me?!

Yeah

천억

I will tell you if you become
my friend.

Why are you surprised?

If we become friends, I won't be badmouthing you. I will be giving you an advice.

Win-Win situation for both of us, no ?

So ?

Forget it.

I don't need to know.

Bye.

Well, geez,
talking about
being blunt.

Not even
maybe.

What?

You told others
"maybe".
Why not me
also?

Why are you
cutting me off
like that?

Because I feel that
I shouldn't give you
a chance.

What?

I feel that your
definition of
"friend" is -

Much more than just
greeting each other when
running into each other
kind of stuff.

I don't want
such a deep
relationship,
especially with
someone like
you.

Talk about
being
sensitive.

So, just
leave me
alone.

You are so blunt.
I want to be
your friend
even more
now.

Let me be
your pet.

Didn't you hear
what I said ?
Go away !

But -

But
what ?!

That is your
weakness, you know.

Sura's place
surasplace.com

You don't have any
same-gender friends.

You have no girlfriends who give you advices and update you with gossips and so on.

That is-

ahh

That has to
be a critical
weakness.
Don't you agree?

Empty life,
so to speak ?

But pretty.

Empty
blue sky,
that is.

Did I scare you?
You look like
running away.

Weirdo!!

What ?!
No way !

If you didn't
really care,
you'd have
forgotten by
now.

But
instead,
you brought
it up to me
reluctantly

Maybe,
what she said
rang a bell
in you.

You did run away.

It did not !
NO !

You came
home late, so
I am telling
you now, go !

You'd tell me
everything
anyway.

Well... yeah,
like you pointed
out, what she
said rang a bell.

"You have to get
used to it. I'll give you
the name and location
you will require."

"What time to be
called?"
"What day?"

She was right,
you know.

I do think she was
misguiding
that it was my
critical weakness

Is she
pretty?

What?
Oh, her?

Well,
not too bad,
I guess?

If she is
pretty, make
her a friend.

What does
that have to
do with any
thing?

Forget it
then.

Are you even
paying
attention?

Girl, do I have to
listen and solve
everything
for you?

It's not that ...

I no longer get uneasy or anything like that anymore ...

That's ... good, right ?

But you see...

Something has been bothering me for a while...

Are you avoiding me lately ?

I often get
shocked that
I get to pause
like this ...

Because there is
a very weird
distance between
us.

What is
it?

Aww, dang it !
Why can't I
say it loud?!

Why can't
I just ...

You are scared,
aren't you ?!

체
익

Because I mentioned
us going all the way
on the other night !

tell him straight-
forward ?!
You know, like -

like -
the usual,
you know-

Can't you
trust me ?

Come on,
Let's sleep
together like
usual, I won't
touch you.

Huh ?

the usual,
like - having
some jokes -
Easy, huh ?

Do something !

Come on !

... I guess
I will see you
tomorrow
morning then.
I have classes
in morning.

There is
nothing to be
afraid of
between us.

Why am I
chickening
out, geez ...

Sure.

See you
tomorrow.

See, in the end,
I couldn't do it.

There is a
reason I
am being
careful -

Because, on
that night,
he looked so
tired and scared.

*If you love me,
don't love to
the fore,*

Please

Did I put too
much pressure
on him ?

Alright then.
Let me take
a bite.

Let me -

What?

Good enough
to me.
Why did you
do that?

냥 냥

What?

Looking like
you were eating
the crappiest
food, I just couldn't
leave you alone.

Quit acting like
you are my best
friend! All I did
was giving you a
piece of my meal!

You've got a
pretty rough
tongue unlike
your cute
appearance.

Allow me to
use a trick to
get really close
to you then.

Just tell me
anything that
concerns you.
You know,
like for an
example...

Any complaints
regarding that
seemingly perfect
boyfriend of yours?

What?

I am sure you
have some that
you couldn't just
tell him.

Think me as a
graffiti artist and
spill 'em out.

I guarantee
anxiety of
whatever
you tell me.

This is what
the girls do?
Is smooching
their guys?

You think
guys don't do
the same?

I can't
guarantee
tell you!

Which
means you
have some.

So cute...!
Her reticence
makes her
even cuter !

Very, very
dangerous.

Why?!

Why, you ask?!

Only idiots gamble
by placing eggs
in only one basket.
And you are
gambling your
life on one guy.

So
what ?!

What are you going to
do if Han-Se disappears
then ?

"Disappear" ?
Why ?

Quite possible.
I mean he could
die before
you do.

He is going
to die ?

Women live
longer than
men in general,
you know?

He could have,
you know,
an affair?

What? ?
This is not
a drama.
No way would
he have an
affair.

You will be
a big burden to
any guy

Moving tears
for only
having such
thoughts?

A burden?
Me?!

Come on, girl.
Look.

Rang Han-Se is one of
those guys who does
what he needs to do
and balance his private
and work life
extremely well.

He is not into that
kind of blind love
kind of thing where
he doesn't care
anything.

In other words,
it looks like it's
only you who is
personable.

... It's
just me ?

By the way,
why are we
hiking?

I am
shadowing
him.

And I feel
I stopped
my class.

The tuition is
not cheap, you
know. Why did you
order this unit?

I know you are
going to say it was
silly of me but...

But...?

I entered here
only because
Han-Se ordered
here...

What? But
this unit is one
of the better
ones...

Oh...

... You really have
nothing

I now know why
you looked so
hollow and empty.

Sura's place
surasplace.com

I will make it so that
Han-Se won't be able
to live without me !

Ah?!!

Fair enough,
huh ?!

If it works out,
both of us will be
living for each other !

We will have
the same goal
also !

Yes !
The perfect
plan !

Useless
bitch!

Shit!!

You are going
to sleep here?

Well...

It doesn't really
matter to me
either way...

... Sure,
why not.

This is it ?

Heil, no !
I am just
beginning!

Ohoh-

Be pre-
pared.

Sure.

Quit it!

What are
you talking
about?

You are really
underestimating
me right now.

No, I am not.
Come on.
Keep going.

You don't
think I can't it?

It's okay.

I understand.

Understand
what?

Let's sleep
together tonight.

No...

Don't you
have goals?!

No -

It was
nothing.

Is there only
him in your
life ?!

There was a girl
who questioned
the obvious. That
was all.

Such a silly question, it was ...

So, Jong-Soo wants to be a pilot. Soo-Kh wants to be a Veterinary physician.

Anyone else?

Come to think about it, it has been my goal from the very beginning...

Me!

Me
Me!

Okay, let's all hear Ha-Ge's dream.

My dream is to live with Ha-Se.

Ha-Se is weak, so I gotta be with him all the time.

So, I am going to be with him all the time.

The end.

That means Ha-Ge's dream is -

Marriage with
Hun-Se?

Mar-
riage?
H?

Interesting.
I didn't think
such an outgoing
girl like you wanted
to be a good
wife.

Wife?

You will
know
soon.

I had no idea
what "wife"
meant, but
I understood
"marriage".

Yes, I am going
to do that
marriage thing.

Of course, I soon found out
that it wasn't going to easy.

What?

Why do I
have to
marry you?

!!!

And the
teacher sort
of misunderstood
my dream.

My goal doesn't
have to be
marriage to
him.

For real?
You applied to
Physical education
at S university?

So, you got some brain cells. I am impressed.

So, you are going to be a PE teacher?

Ah?

Yeah

For real?

Not at all

For real

Yes,
I simply wanted
to be with him.
Like no word -

Confusing,
right? It's
not fair...

But because
it was confusing
...

I hurt
others.

I am sorry.
I am really
sorry, Jin-
Hong...

And I
was
hurt.

I will dare to say
that my path to
my dream has been
pretty adventurous.

And then
suddenly -

Even though you pointed that out bluntly -

Don't you have your own will?
if he tells you to do A, will you do A?

There's borderline
slavers, you
know.

And say what?
You are going to
make him unable
to live without
you?

And I kept saying: my will is to be with him.

You really make
me sigh.

Whatever.
My dream is
not there to
impress others
like you.

So, I don't
care whether
you
understand
or not.

Dang
it!

Why did you
go out?
Where did you
go?

No regret and
certainly no disappointment
afterwards,
got that ?

...What?

Why are you
staring at
me like that?

He-De...
you came
this far...

There is
no backing
off now.

... Are you
kidding ?

Regretted.

Dumbass!!

100%

Hmph

Have they forgotten
that they are marrying
only because of the
pregnancy?

They look
surprisingly
happy to me.

She's been with
him for, what, 4
years now?
I wonder why she
made such a mistake.
It's very unlike her.

Their
relationship
was slowly
falling apart.

That was no
mistake. She
intended to
get pregnant.

Eh?

Eh??

ふふふ
Ordinary
wife, house,
hah -

I bet she will be
quite a unique
house wife in the
future.

ふふふ (hah)
True.

Even
a determined
woman like her
falls to love like
this.

No wonder a
clueless girl
cannot get out
of it...

Yeah, right.
You left everything
behind and
went to Paris for
love.

(Blush)

Will you quit
talking about
him ?!

I told you
not to ignore
being
ordinary.

Sure, they may
have had ordinary
love and all that,
but do not
underestimate
the "ordinary" part.
You will regret if
you do.

That's just
foolish,
you know.

It was unexpected.

I thought
that was going to
say, "Mind your
own business"
or something
along that line.

I don't
know.

It seems to think
of it. The speech
was different to
what I was
just told...

Why would
I become
"foolish" ...

Just because
I pursue
love.

People say it's
admirable if one
sets up a goal in
early stage of life
and goes for it.

Now, by your
standards, if
that goal happens
to be love,
it becomes
"foolish"?

What do you
think love is?
Have you
experienced
it ?

You consider "love" as
something worthless.
I will say you are talking
about something
you don't even know.

She hit the
spot...
at that
moment...

Sorobae,
you look
especially
tall today.

I should...
I am wearing
killer-tall
shoes.

Not
that...

it does seem
wisdom
comes with
age...

Are you
proving a
right ?

I am saying
you are right.

Hey, girls !
What are you
waiting for ?!

One way
or another ...

I just want
everyone
to be happy.

Wow, it really
is red.

So, this is
how you view
snow?

But
why?

Why can I see
the red snow
only you could
see?

Isn't it
sorry?

Not really.
It's the same
snow—it's
just red.

I am
scared of
it though.

Really?
Well, I am a little
spooked by it
to be honest.
Let's out out
of here.

You won't
see it then.

I am sorry
that I scared
you...

Huh?
It's fine
really.

Farewell,
Ha-Da.

正色

Was it scary?

You...
are not
Han-Sa,

Are you
??

... What?

.....

Hey... that's
a bad joke, you
know.

Who are you ?!
Where is Hinae ?!

What?!

...

What did you
do to him ?!

I know, I know.

I know it doesn't
make sense.

But still...

Har-Sa.

I am sorry ...

that I scared you ...

I am really
sorry...

... What?

What... was
that ?

What ...

Sura's place
surasplace.com

Marriage,
right yeah.

The marriage is off.

What?

What did she do
to deserve
that?

The same
response as
everyone else.

uh?

It wasn't Han-Se
who called off
the marriage.

It was He-Da who
called the whole
thing off.

You know...

What do you
think love is?
Have you
experienced
it?

You consider love as something
worthless.
I will say that you are
talking about something
you don't know.

I like him
only.

And it's not
because Han-Do
is a guy. I just like
him as a person.

Is it because of me?

I shouldn't have modelled in.

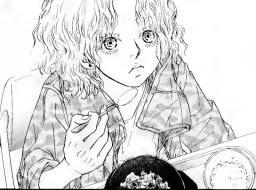

Wowh, you
reek of paints
there.

Talk
about rushing
things. You don't
need to work hard
on your final project
this early, you
know.

Ah!

Wowh?
Why is she
crying?

Hey, well, they
aren't exactly
wrong about
that.

What? I so,
all those
gossips are
true?!

Engagement
was broken
up, yeah.

I may have not
gone insane, but
I am taking
a depression
drug advised by
my doctor.

Just what the hell
happened?!
Was it because of
me?!

Because
of you?
what makes
you think
so?

Well, remember
how I talked to you
about life and
dreams?
Gosh, I sure sounded
like a clueless
BITCH for
sure!

Come on,
I am an idiot.
Such complicated
talk doesn't do
anything to
me.

Then why did the
breakdown
happen?!
There must have
been a cause?

Han-Se that's hanging
around us right now
is not the real Han-Se.

He had done so
well that even I
fell for a while.

But he is not the
real one. He's
a fake.

... Do you
have any
proof to back
that up?

Don't give like that... You are scaring me here...

He never liked taking pictures. This is one of few we've taken recently.

I left the original picture in a secured place just in case. I took a snapshot of it here.

Here! This one.

... That's a sticker photo, so ?

Let me zoom in it for you. Watch the eyebrow.

Real Han-Se's eyebrows look like that. The fake one here does not have that eyebrow.

Are you serious? The picture might have gotten a little corrupted, you know. Besides, quality of sticker pictures are bad.

Uhm, I am
not arguing,
just saying
that.

I am sorry.
I am pushing
this on you
again.

Sigh, yeah,
I must sound
like a nutcase
now.

Their reaction was mostly like, "Who has that kind of eyebrows?"

Shy
Startle

Even if they get past by the fact that he has such weird eyebrows, they say they would remember someone with such unique eyebrows.

It seems only I can remember that. It's weird, I know...

I know...
I know it's logically hard to convince anyone.

... Perhaps.

It was just me after all.

SAY WHAT?!
DO YOU EVEN REALIZE
WHAT YOU ARE SAYING?!
HOW COULD YOU DO
THIS TO ME AND
THE OTHERS?!

Oh, my,
calm down,
father!

SUCH A CLUELESS
CHILD!
I DID NOT RAISE YOU
LIKE THIS!

What are you
waiting for?!
Apologize to
your father!

It was my first time
seeing my father
actually get angry,
very angry.

3 ag.

B. but,
Dad...

He is not the
one. He's not
real ...

It's ridiculous,
you know.

You want to break
this up because
you dislike the way
my eyebrows look.

Don't you think
you are going
too far?

Are you going to
need an eye-patch

to even see me
properly?

what?

I was your childhood friend.

Now I am your man and to be your spouse.

Such a transition may have allowed you to see other things from me.

.....

Why can't you think a little more flexible like that?

...what he said, I was going "Uh..."
But that didn't last long.

What are you babbling about ?

He asked you a question !
Answer him right now !

I should be the one to explain.
It will be easier.

It also concerns my son ...

Dear...

After Han-Se's mother showed up,
the whole situation escalated for worse rapidly...

My brother never liked her, so he reacted very aggressively.

Are you out of your mind?!

If your son was ill, you should have taken him to a hospital!

Dear...

Why did you leave your son to that witch?!

You are going too far! It's my wife. Stop it, you are there I talking about!

Hen-Se's father had always been a gentleman, but he was raging against my brother.

So what?!

So, what if I don't stop here!

What are you gonna do, huh?!

I've had enough!

You've always badmouthed her!

And then the whole family members started to fight...

And it was

over.

23 of it

So... basically
it was because
of you.

... I started it.
That's for sure.
And I was really
careless.
That's for sure
as well.

This is probably
what my brother
was talking about
right before the
engagement.

And you know
what? It happened
exactly as he feared.
We were the best
neighbors
but now...

It was hard to
be in such a
situation.

So, that's why
you left home...
and chose not
to live on the
campus?

Oh? How did
you know all
that?

If you find cafeteria
food delicious,
it's obvious, girl.

But that menu
has always been
my favorite.

What are you
looking at me for
like that? It's the
best bang for
the buck!

Low
standards.
I guess?

Anyway, I drew
a picture while
we were talking.
You had a drawing
app.

AAP?

I drew Han-De's
image in my mind, but
I removed his glasses
and added the
eyeglasses
you mentioned.

Like this?

Like it ?

Oh, Gosh, Oh, WOW.
You drew that, really?!!
with just a finger!!
You are a
GENIUS !

I was thinking "No way" when I was adding the eyebrows, but it wasn't too bad.

It fits him somewhat actually.

It seems you don't have many pictures of him, and having that sticker photo only is downright miserable.

You should at least have a montage. If I had more data, I could draw him more accurately.

Huh? What?

It's just... I am wondering. I mean, thanks for the montage but

There is no way you believe me if you are alone. If so, that would mean you are just nodding along and -

Yes! I am just nodding along.

Denial!

I didn't believe you at first and was just nodding along. Now, your situation seems interesting, so I am looking you up.

I don't need that kind of support.

Hey, friendships can go a long way. This is nothing.

I don't remember accepting you as a friend, you know.

Come on. I sure drew you a montage. That should be good enough of a bribe.

The drawing was good, yes.

And who knows?
If you let others
see that montage
around, you might
have more luck.

Though I think
each person
views things
very differently.

So, let's start with
that one over there.

What took you
so long?
Come over here.

I wasn't late.
I was waiting
for you two to
finish.

Nevermind that.
Come over here
and take a good
look at this!

Don't upload my pictures

Girls,
I can hear
you.

Did you remember
"Buddy" who recently
received some
spotlight from a
stockmarket
magazine?

... What?

... Really?

We are in Art department, you know. We aren't interested in stockmarkets.

This is why I dislike guys in economics. They think whatever they know is common sense to everybody else.

Uh, hey, it's nothing complicated. You don't need to run away from me.

The magazine is basically a collection of recent rumors and gossaps regarding economics. It's a little expensive though.

Oh, that sounds interesting. Just like any other magazines, I guess.

Except it's about economics.

Hehe, I guess you are right. Anyway, there has been a new religious cult called "Buddy".

Are you sure? "Buddy" sounds like a golf club name instead of a name of a religious cult.

100% pseudo-religion for sure.

Hehe, golf club?

Anyway, Buddy's new cult leader has so far 100% accuracy of foreseeing stockmarket flow.

And the new leader
is nicknamed
"The Bad".
Know why?

It's because his
eyebrows resemble
that of a bird
loosely.

Exactly like the one
in this drawing
here. So distinctive
that anyone can
recognize him
instantly.

But
nothing is confirmed
really. Like I said,
it's just a bunch
of rumors and
gossip.

Volume 10 may end here, but there is a side story afterwards
which is actually very important in understanding what (the
hell) is going on with the plot.

So, it's not over yet.

Am I really allowed

unforgotten battles here waiting to do with the

Don't worry
too much,
mother.

But this should
be made clear.

Especially
when a
ghost looks
real like her.

Since when do
you care about
a spirit's
appearance?
Besides, it's just
an act.

Don't judge a
book by its
cover.

I can sense his soul.
He's a good sport.

I like him actually.

He was
gesturing me
to come to him.

As if calling
a pet.

I felt offended.
However ...

I did also feel
a certain degree
of affinity toward
him.

Ah, of
course.

I can't deny a fact that
he looked like someone
who wasn't of the
world, but he was
nevertheless.

(In other words,
he fell for his
look.)

Simply, it never
changes. Old days
or modern times,
everyone cares for
good looks, which is
why those who deal
with spirits are all
good looking.

Hey,
is there a
reason you
have to keep
getting on my
nerves?

You don't have to
use sexual
manipulation.

But it works
on people
sometimes.

Even historical
figures don't do
that now.

But I wasn't
going to accept
the deal just
like that.

Although I did
forget a lot of my
old memories because
I've been to the
modern world for
so long.

Thanks for the
offer, but give
me some time
to think.

Of course, this looks
like a good offer for
me to finally
attain Buddhahood...

But I do have my
standards.

Do not upload my projects to any ad-ridden aggregator sites. Mangafox is a good example.

Your women,
Bun-Ho-Do,

I need to see real
women sure that
I can like her

You are giving
too much fuss.
You are merely
a spirit.

I've literally
created her by
manipulating
the fate for my
son.

Almost
every aspect
of her was
manipulated and
affected by my
influence. You need
not to worry.

I am not talking
about
appearances.

I am talking about
love!

What
...?

Love?

The reason
I remained in this
world was not just
because I was a
virgin.

My deepest
regret was not
having a
relationship.

Oh, you will fall for her.
I am sure of that.

다만

In fact, it will be
love at first sight.

I guarantee you that.

I could have said, "Who do you think you are?" Or something like
"Do you take me for a fool?" But I did like him.

And it turned out
that he had his
reasons to be so
sure.

Hey, Kang Han-Se.

Though I have to
say ... his tastes
were quite
extreme. (ch-ha)

Men do like
small things.

What ?
Seriously?

You even
missed a
Lampo.

You...
startled
me.

Besides, her
eyes were ...

Pure,
dedicated
and ...
innocent.

What are you
thinking so hard?

Such a girl would
smile at someone
like me ? Care for
me ? What are
these feelings I can
not explain?

I was ...

Just thinking
about you.

Something in my
chest ached ...
And my heart was
beating so hard
and fast...

And then I realized.

The physical reactions
weren't entirely due
to me. Your body was
responding to her
presence.

Attachment,
desire,
and longing...

I suppose ...
she saw the
same elements
from your own
eyes.

Quite a point, you are. And you were pretty far ahead, I see.

Don't change the subject.

How have you managed with irritable feelings for so long?

You just...

Fixed them.

No way. It can't be that easy.

Those feelings weren't just mere feelings.

They were carved into your body.

Why are you letting me do this ?!

Why?!

Already attained buddhahood?

Then go. Don't waste my time.

... Are you sure about this ?

You can be
pretty mean.

Why are
you turning
your back
on her?

What would
you gain from
this? She's yours
by fate!

I gain...

Nothing.

I couldn't
care less.

I need ... nothing.
I want nothing.

So, what happened?

I feel that the side story should have been included in the main plot because these 10 pages-ish basically gives you an answer to one of the most important questions for the series.

However, the author has a tendency of giving much more weight to side stories at end of each volumes.

In fact, this side story pretty much concludes the manga. The last volume, season 2 volume 11, is pretty much Ha-Da's liner quest to seek Han-Se.

Anyway, the side story tells you that it was Han-Se's own decision to let a ghost possess his body and let him deal with Ha-Da.

Why, you may ask. The answer has been given numerous times throughout the plot. Han-Se has repeatedly indicated that he hated being ruled by fate. In this case, Han-Se probably resented the fact that his whole life was tailored by his own mother. Even his birth was tailored since his mother chose a specific man just for his sperm.

In other words, it wasn't fate itself Han-Se rejected. It was tailored fate he wanted to reject. The last time he mentions not following fate is from Season 2 volume 9 page 165 to 166. It was probably the last straw for him as he could no longer resist Ha-Da.

And realizing that he was becoming powerless to reject Ha-Da, he chose to let a male ghost to stand in for him. In doing so, he naked being found out by Ha-Da and his stand-in Mr. Ghost was indeed caught eventually. Thus resulting the break up which was what Han-Se wanted but he also did not want to happen deep down.

Why his mother let him do that? In early volumes, you get the impression that his mother knew that her son resented his tailored fate. But she probably figured that he was revolting due to puberty and continued to press her views on him. In the end, she probably realized her son's resolution was too firm and let him have his way instead of eventually breaking him.

I felt that the side story was the last piece of puzzle. The series is as good as completed at this point.

Volume 11 will give you a somewhat ridiculous conclusion to the series.
